

Franny and Zooey Tumblr Grading Sheet

You will be assessed based on four main criteria of equal value. This is a very individualized and personal assignment, so remember that it is less content based, and more based on application and presentation of your content.

- ✓ *Ideas in Writing* – **25 points**

- ✓ *Content Accuracy* – **25 points**

- ✓ *Creativity of Presentation* – **25 points**

- ✓ *Grammar, Mechanics, Usage, Conventions* – **25 points**

Your presentation is optional and, therefore, will not be graded. You and I will both be using the same criteria in establishing your grade. Have fun and good luck!
